

Culligan

Better water. pure and simple.®

SOFTENER INSPECT CHECK

Winter weather and holiday guests can put extra strain on your water softener, causing it to run inefficiently. If you haven't had your annual maintenance appointment yet, then now's the time for a special \$9.95 Inspect & Check from your Culligan Man®.

He'll recalibrate your water softener and get it running smoothly for the seasons ahead, no matter the brand. Your water softener is an investment, let us make sure it's paying off.

\$9.95 OFFER

Have your Culligan Man® Inspect &

Check your water softener,

NO MATTER THE BRAND

FOR ONLY \$9.95

See your local Culligan dealer for details on this limited time offer. Dealer participation may vary. Only one coupon per customer. Not valid with other offers.
